([live-PR.com](#)) - Meadow Lake, SK and Calgary, AB, (October 19 2009) - The former Capri Country Motor

Inn is undergoing a \$500,000 renovation that will create 40 fully furnished hotel and rental

suites - 20 of which will be ready for occupancy in early 2010. The hotel

makeover is the

brainchild of its new owners, the Lucid Group of Companies, a multi-faceted

group of real

estate and hospitality-focused companies based in Calgary.

"We saw a great opportunity to buy and convert the existing space into a fully furnished

suite concept to accommodate a shortage of hotel and rental accommodation in

the region," says Adam Drybrough, Partner, Lucid Group. "We expect that Meadowview

will be evenly spilt between hotel and rental suites."

Added Drybrough, "We are also excited by the news that Meadow Lake will become

Saskatchewan's 14th city on November 9, 2009. Meadow Lake's growth is being driven

by a number of factors including energy exploration, agriculture and the future development

of the Saskatchewan oils sands. With Meadowview Hotel and Suites, we hope to provide

a valuable service to these growing economic sectors as well as contribute to the local

economy of Meadow Lake."

Drybrough also hinted that his company is looking at investing in other real estate
